Gibb Safety & Survival are an industry leading European manufacturer and distributor of Safety, Personal Protection Equipment (PPE) and Survival product, servicing clients globally. Gibb operates an extensive industrial distribution network for clients in energy sectors from strategically placed UK locations in Great Yarmouth, Aberdeen and Grimsby with the ability to utilise the Clarksons global footprint.

- OUR STRATEGY

Contact us on sales@gibbsafety.com

Our strategy is to create long-term sustainable value for all of our customers by building on our strong performance. We have six strategic objectives:

- Breadth. *Expanding our breadth to better tailor our integrated offer*

With an expanding and industry-leading range of products and services that span the energy and marine sectors, we are uniquely positioned to deliver bespoke solutions to all our clients.

- Reach. *Extending our reach to support clients globally*

Our global presence enables us to meet client needs wherever and whenever they arise. With 50 offices in 23 countries, and growing, we share understanding, culture, IT systems and high standards of corporate governance across our business.

- Understanding. *Stronger understanding of clients needs*

Our client base ranges from oil majors, renewable operators and local business. We work with many of our clients building deep understandings of their businesses and providing the services that have helped them to prosper. We have more touch points across the industry than anyone else, enabling us to offer unique and tailored solutions to meet our clients needs.

- People. *Empowering people to fulfil their potential*

We are committed to attracting and retaining the best people, providing them with the tools and training that empower them to fulfil their potential.

- Trust. *Maintaining trust in supply and service*

As a market leader in the provision of PPE & Safety equipment to offshore and energy sectors, we are trusted across the industries.

- Growth. *Growing our business to improve performance*

We are a consistently profitable and cash generative business that is focused on creating long-term value for our shareholders.

"Our experience in the global market means we can supply our markets with an excellent service 24 hours a day, 365 days a year"

- ACCREDITATIONS AND MEMEBERSHIPS

We are proud to have achieved the following international standard accreditations: Achieving these standards reinforces our commitment to delivering the highest quality of service and continually improving business performance in a safe, best-practice working environment.

- OUR VISION AND VALUES

What makes us the natural partners for a wide range of clients on five continents? Customer service and entrepreneurial spirit, supported by a firm commitment from everybody at Team Gibb to deliver our Vision and live our Values, every day.

- Integrity.

Gibb is a business built on long-term relationships and trust. Our clients and other stakeholders have always known that we will 'do the right thing'. We say what we mean and stand by those words, taking responsibility for our actions at all times.

- Excellence.

Second best has no place at Gibb. We aim to excel in every way - helping our clients achieve their objectives, no matter how challenging, by applying our unrivalled breadth, reach, experience and expertise to each project. We deliver innovative solutions to complex problems and our challenge is to exceed our clients' expectations at all times, on every aspect of every project.

- Fairness.

Every person and business we encounter is treated equally. We are fair to our clients, in the terms we propose and the level of service each party can expect, and fair to our own people. As a PLC, we consistently reinvest profits in training and development, even through the downturns, supporting every member of Gibb to fulfil their potential.

- Transparency.

Like many of our clients, we are a publicly listed company and we share many of the same drivers, challenges and concerns. Our parent company (Clarksons PLC) status requires that we adhere to high standards of governance throughout the company.

- SERVICE IS KEY

We provide a complete supply solution, by not only having the ability to supply a wide range of products, but also having the in-house technical expertise to advise and recommend fit-for-task products.

"Service and the relationships we have with our customers are the very backbone and foundation of Gibb Safety & Survival"
