- CUSTOMER FOCUS

At Gibb Safety & Survival we offer the same flexible, dependable solutions to all our clients. Whether we are working with locally based SMEs or large international corporations, our premium distribution services can be tailored to suit each individual client. We are dedicated to serving our clients, and Customer Service is, and always will be our highest priority. With a dedicated Account Manager, Internal Sales Support and Service teams, we can provide you with everything you need every step of the way.

Having a culture of innovation, and a fundamental desire to serve customers' needs, Gibb Safety & Survival will provide support for one-off product sales or complete safety asset supply and management requirements. Our dedicated teams are always ready to listen to your challenges and are on hand to offer a comprehensive solution.

- COMPLETE SUPPLY SOLUTION

Gibb Safety & Survival can offer a complete supply solution alongside the Gibb Tools & Supplies operation to provide a reliable distribution of PPE and MRO equipment. We strive to provide the best in class services to an ever-wider and increasingly diverse client base across all sectors of the energy and marine industries by providing those clients with unrivalled professionalism and support in the markets where they operate. Our strategy is to create long-term sustainable value for all of our customers by building on our strong performance, which allows us to maintain and develop our position as a market leader.

We provide a complete supply solution, by not only having the ability to instantly supply a wide range of products, but also having the in-house technical expertise to advise and recommend fit-for-task products.

Please contact us on sales@gibbsafety.com or +44 (0) 1493 602440 to talk about your requirements and discuss how we can support and develop the best solutions.
